

# Section 1. PRODUCT AND COMPANY IDENTIFICATION

| Product name :              | cis-3-methoxycyclobutanol                          |
|-----------------------------|--|
| Product Number:             | 4069248  |
| Product Lot:                | 3  |
| Salt Form:                  | FREE   |
| Company:                    | ChemBridge Corporation                             |
| Address:                    | 11199 Sorrento Valley Road Suite 206 San Diego, CA |
|                             | 92121, USA   |
| Emergency Telephone Number: | 1-858-451-7400                                     |
|                             |  |
| Creation Date :             | 11/25/2022   |
| Revision Date :             | No data available (I edition)                      |

### Section 2. HAZARDS IDENTIFICATION

| GHS Classification                                     |  |
|--|--|
| Not a hazardous substance or mixture.                  |  |
|  |  |
| GHS Label elements, including precautionary statements |  |
| Not a hazardous substance or mixture.                  |  |
|  |  |

#### Section 3. COMPOSITION/INFORMATION ON INGREDIENTS

| Component:        | cis-3-methoxycyclobutanol                                      |
|-------------------|--|
| Synonyms:         | -  |
| CAS-No.:          | 1807941-46-3   |
| EC-No.:           | -  |
| Index-No.:        | -  |
| Formula:          | C5H10O2  |
| Molecular Weight: | 102.1  |
| Percentage :      | 95   |
| Classification    | No components need to be disclosed according to the applicable |
|                   | regulations.   |

### Section 4. FIRST AID MEASURES

| General advice: | Consult a physician. Show this safety data sheet to the doctor in |  |
|-----------------|---|--|
|                 | attendance.   |  |
| If inhaled:     | If breathed in, move person into fresh air. If not breathing give |  |

|--------------------------|---|
|                          | artificial respiration Consult a physician.                       |
| In case of skin contact: | Wash off with soap and plenty of water. Consult a physician.      |
| In case of eye contact:  | Rinse thoroughly with plenty of water for at least 15 minutes and |
|                          | consult a physician.  |
| If swallowed:            | Never give anything by mouth to an unconscious person. Rinse      |
|                          | mouth with water. Consult a physician.                            |

#### Section 5. FIRE-FIGHTING MEASURES

| Suitable extinguishing media :   | Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide |
|----------------------------------|---|
| Special protective equipment for | Wear self contained breathing apparatus for fire fighting if            |
| fire-fighters :                  | necessary.  |

### Section 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions:        | Use personal protective equipment. Avoid dust formation.     |
|------------------------------|--|
|                              | Avoid breathing dust. Ensure adequate ventilation.           |
| Environmental precautions:   | Prevent further leakage or spillage if safe to do so. Do not |
|                              | let product enter drains. Discharge into the environment     |
|                              | must be avoided.   |
| Methods and materials for    | Pick up and arrange disposal without creating dust. Keep in  |
| containment and cleaning up: | suitable, closed containers for disposal.                    |

### Section 7. HANDLING AND STORAGE

| Precautions for safe handling: | Avoid contact with skin and eyes. Avoid formation of dust and aerosols.   |  |
|--------------------------------|---|--|
|                                | Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive fire protection. |  |
| Conditions for safe storage :  | Store atRT. Keep container tightly closed in a dry and well-ventilated place.   |  |
|                                |   |  |

#### Section 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

| Threshold Limit Values        | 8-hr Time Weighted   | Short Term Exposure Limit |
|-------------------------------|--|---------------------------|
|                               | Avgerage   |                           |
| ACGIH:                        | No data available  | No data available         |
| NIOSH:                        | None listed  | None listed               |
| OSHA - Final PELs :           | None listed  |                           |
| Personal protective equipment |  |                           |
| Respiratory protection:       | Where risk assessment shows air-purifying respirators are  |                           |
|                               | appropriate use a dust mask type N95 (US) or type P1 (EN   |                           |
|                               | 143) respirator. Use respirators and components tested and |                           |
|                               | approved under appropriate government standards such as    |                           |
|                               | NIOSH (US) or CEN (EU).                                    |                           |

ChemBridge Corp. SDS ID: 4069248\_3

| Hand protection:          | Handle with gloves.  |  |
|---------------------------|--|--|
| Eye protection :          | Face shield or safety glasses                                |  |
| Skin and body protection: | Choose body protection according to the amount and           |  |
|                           | concentration of the dangerous substance at the work place.  |  |
| Hygiene measures :        | Handle in accordance with good industrial hygiene and safety |  |
|                           | practice. Wash hands before breaks and at the end of         |  |
|                           | workday.   |  |

### Section 9. PHYSICAL AND CHEMICAL PROPERTIES

| Appearance                             |                   |
|--|-------------------|
| Color:                                 | colourless        |
| Form:                                  | liquid            |
| Safety data                            |                   |
| pH:                                    | No data available |
| Melting point :                        | No data available |
| Boiling Point :                        | No data available |
| Flash point :                          | No data available |
| Ignition temperature :                 | No data available |
| Lower explosion limit :                | No data available |
| Vapor pressure :                       | No data available |
| Vapor density                          | No data available |
| Density:                               | No data available |
| Water solubility:                      | No data available |
| Partition coefficient(n-octanol/water) | No data available |
| logPow:                                |                   |

#### Section 10. STABILITY AND REACTIVITY

| Chemical stability:               | Stable under recommended storage conditions.        |
|-----------------------------------|---|
| Conditions to avoid:              | Excess heat   |
| Materials to avoid:               | Strong oxidizing agents, strong acids, strong bases |
| Hazardous decomposition products: | Carbon oxides                                       |

### Section 11. TOXICOLOGICAL INFORMATION

| Acute toxicity:                     |  |
|-------------------------------------|--|
| LD50 (oral)                         | No data available  |
| LD50 (dermal)                       | No data available  |
| Skin corrosion/irritation:          | No data available  |
| Serious eye damage/eye irritation : | No data available  |
| Respiratory or skin sensitization:  | No data avaliable.                                       |
| Carcinogenicity:                    | This product is not classified as carcinogen under IARC, |
|                                     | ACGIH, NTP.  |
|                                     | Group 3: Not classifiable as to its carcinogenicity to   |
|                                     | humans   |
|                                     | Group 3: Not classifiable as to its carcinogenicity to   |
