

SECTION 1: CHEMICAL PRODUCT and COMPANY IDENTIFICATION

Catalog No.
L17909

Product Name: **N-(9-Anthracenemethyl)cinchonidinium bromide**
Synonyms: CidAn bromide

Manufacturer/Supplier Name: Alfa Aesar - A Johnson Matthey Company
Address: 30 Bond St.
Ward Hill, MA 01835 US

Business Phone: 978-521-6300
Business Fax: 978-521-6350

For information in North America, call: 978-521-6300

CHEMTREC Numbers:
Manufacturer MSDS Creation Date: 11/21/2003

SECTION 2 : COMPOSITION, INFORMATION ON INGREDIENTS

Catalog No. L17909

Chemical Name N-(9-Anthracenemethyl)cinchonidinium bromide
CAS# 344452-66-0

SECTION 3 : HAZARDS IDENTIFICATION

Catalog No. L17909

Emergency Overview: Harmful. Irritant.

N-(9-Anthracenemethyl)cinchonidinium bromide:

Route of Exposure: Eyes. Skin. Inhalation. Ingestion.

Potential Health Effects:

Eye Contact: May cause eye irritation.

Skin Contact: May cause skin irritation.

Inhalation: Dust may be irritating to the respiratory tract.

Ingestion: May be harmful by ingestion.

Target Organs: Eyes. Skin. Respiratory system.

SECTION 4 : FIRST AID MEASURES

Catalog No. L17909

Eye Contact: Immediately flush eyes with plenty of water for at least 20 minutes. Assure adequate flushing of the eyes by separating the eyelids with fingers. Get immediate medical attention if irritation persists, or symptoms of overexposure become apparent.

Skin Contact: Immediately wash skin with plenty of water for at least 20 minutes, while removing contaminated clothing and shoes. Get medical attention especially, if irritation develops, persists, or symptoms of overexposure become apparent.

Inhalation: Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Keep warm. Get immediate medical attention.

Ingestion: If swallowed, call a physician or poison control center immediately. Never give anything by mouth to an unconscious person. Do not induce vomiting unless instructed by medical personnel. Get medical attention.

SECTION 5 : FIRE FIGHTING MEASURESCatalog No. L17909

Flash Point: No data

[To Top of page](#)

SECTION 6 : ACCIDENTAL RELEASE MEASURESCatalog No. L17909

Personal Precautions: Use proper personal protective equipment as listed in section 8.

Spill Cleanup Measures: Clean up spills immediately, observing precautions in the Protective Equipment section. Sweep up, then place into a suitable container for disposal. Refer to section 13 for disposal requirements.

Environmental Precautions: Do not allow material to enter drains or streams.

SECTION 7 : HANDLING and STORAGECatalog No. L17909

Handling: This product should be handled only by, or under the close supervision of, those properly qualified in the handling and use of potentially hazardous chemicals, who should take into account the fire, health and chemical hazard data. It should always be handled in an efficient fume hood or equivalent system. The user should consider that the toxicological and physiological properties of many compounds are not yet well determined and that new hazardous products may arise from reactions between chemicals. Care should be taken to prevent any chemical from coming into contact with the skin or eyes and from contaminating personal clothing.

Storage: Store in a cold, below -20 degrees celcius, dry, well ventilated area away from sources of heat and incompatible substances. Keep container tightly closed and freeze when not in use.

Hygiene Practices: Wash thoroughly after handling. Avoid contact with eyes and skin. Avoid inhaling vapor or mist.

SECTION 8 : EXPOSURE CONTROLS, PERSONAL PROTECTIONCatalog No. L17909

Engineering Controls: Use appropriate engineering control such as process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits. Where such systems are not effective wear suitable personal protective equipment, which performs satisfactorily and meets OSHA or other recognized standards. Consult with local procedures for selection, training, inspection and maintenance of the personal protective equipment.

Skin Protection Description: Wear suitable protective clothing to prevent contact with skin.

Hand Protection Description: Wear appropriate protective gloves. Consult glove manufacturers for glove permeability data.

Eye/Face Protection: Wear appropriate protective glasses or splash goggles as described by 29 CFR 1910.133, OSHA eye and face protection regulation, or the European standard EN 166.

Respiratory Protection: A NIOSH approved air-purifying respirator with an appropriate cartridge or canister may be permissible under certain circumstances where airborne concentrations are expected to exceed exposure limits. Protection provided by air purifying respirators is limited to airborne concentrations that are typically within 10 times the exposure limit. Use a positive pressure air supplied respirator if there is any potential for an uncontrolled release, exposure levels are not known, or any other circumstances where air-purifying respirators may not provide adequate protection. A respiratory protection program that meets OSHAs 29 CFR 1910.134 and ANSI Z88.2 requirements must be followed whenever workplace conditions warrant a respirators use.

Other Protective: Facilities storing or utilizing this material should be equipped with an eyewash facility and a safety shower.

SECTION 9 : PHYSICAL and CHEMICAL PROPERTIES**Catalog No. L17909**

Physical State/Appearance:	Solid
Color:	Yellow
Flash Point:	No data
Boiling Point:	No data
Melting Point:	No data
Solubility in Water:	Soluble
Density:	No data
Molecular Formula:	C ₃₄ H ₃₃ BrN ₂ O
Molecular Weight:	565.56

SECTION 10 : STABILITY and REACTIVITY**Catalog No. L17909**

Conditions to Avoid:	High temperatures, flames and sparks.
Incompatibilities with Other Materials:	Oxidising agents.
Possible Decomposition Product:	Carbon monoxide. Hydrogen cyanide, oxides of nitrogen. Hydrogen bromide.

SECTION 11 : TOXICOLOGICAL INFORMATION**Catalog No. L17909****N-(9-Anthracenemethyl)cinchonidinium bromide :**

Ingestion Effects:	No data reported in the cited references as of the revision date.
Inhalation Effects:	No data reported in the cited references as of the revision date.

[To Top of page](#)

SECTION 12 : ECOLOGICAL INFORMATION**Catalog No. L17909**

Ecotoxicity:	No information provided.
Bioaccumulation:	No information provided.
Biodegradation:	No information provided.
Environmental Stability:	No information provided.

[To Top of page](#)

SECTION 13 : DISPOSAL CONSIDERATIONS**Catalog No. L17909**

Waste Disposal:	Consult with the US EPA Guidelines listed in 40 CFR Part 261.3 for the classifications of hazardous waste prior to disposal. Furthermore, consult with your state and local waste requirements or guidelines, if applicable, to ensure compliance. Arrange disposal in accordance to the EPA and/or state and local guidelines, by a licensed disposal company.
Ignitable (Yes/No):	No

SECTION 14 : TRANSPORT INFORMATION**Catalog No. L17909**

DOT Hazard Class:	Not Regulated
DOT Identification Number:	Not Regulated

SECTION 15 : REGULATORY INFORMATIONCatalog No. L17909

N-(9-AnthracenemethyI)cinchonidinium bromide :**TSCA 8(b): Inventory Status:** Not listed on the TSCA inventory.**Risk Phrases:** R22-R36/37/38**Safety Phrase:** S26-S36/37/39[To Top of page](#)

SECTION 16 : ADDITIONAL INFORMATIONCatalog No. L17909

Disclaimer:

This Health and Safety Information is correct to the best of our knowledge and belief at the date of its publication but we cannot accept liability for any loss, injury or damage which may result from its use. We shall ensure, so far as is reasonably practicable, that any revision of this Data Sheet is sent to all customers to whom we have directly supplied this substance, but must point out that it is the responsibility of any intermediate supplier to ensure that such revision is passed to the ultimate user. The information given in the Data Sheet is designed only as a guidance for safe handling, storage and the use of the substance. It is not a specification nor does it guarantee any specific properties. All chemicals should be handled only by competent personnel, within a controlled environment. Should further information be required, this can be obtained through the sales office whose address is at the top of this data sheet. We welcome any additional information about our products that customers have obtained by personal experience.
