Material Safety Data Sheet

Section 1. Chemical Product and Company Identification

**Common Name/Trade Name**
Fast Garnet GBC Salt

**Manufacturer**
SPECTRUM LABORATORY PRODUCTS INC.
14422 S. SAN PEDRO STREET
GARDENA, CA 90248

**Chemical Name**
Benzenediazonium, 2-methyl-4[(2-methylphenyl)azo, sulfate(1:1)

**Chemical Formula**
C14-H14-N4-O4-S

**CAS#** 101-89-3

**RTECS** Not available.

**TSCA** TSCA 8(b) inventory: No products were found. Not listed on TSCA 8(b) Inventory.

**CI#** 37210

**Supplier**
SPECTRUM LABORATORY PRODUCTS INC.
14422 S. SAN PEDRO STREET
GARDENA, CA 90248

IN CASE OF EMERGENCY
CHEMTREC (24hr) 800-424-9300

**NFPA**

- Health Hazard: 1
- Fire Hazard: 1
- Reactivity: 0

**Personal Protective Equipment**
See Section 15.

**Section 2. Composition and Information on Ingredients**

<table>
<thead>

Toxicological Data on Ingredients
Not applicable.

**Section 3. Hazards Identification**

**Potential Acute Health Effects**
Slightly hazardous in case of skin contact (irritant), of eye contact (irritant), of ingestion, of inhalation.

**Potential Chronic Health Effects**

**CARCINOGENIC EFFECTS**: Not available.
**MUTAGENIC EFFECTS**: Not available.
**TERATOGENIC EFFECTS**: Not available.
**DEVELOPMENTAL TOXICITY**: Not available.
Repeated or prolonged exposure is not known to aggravate medical condition.

**Section 4. First Aid Measures**

<table>
<thead>
<tr>
<th>Eye Contact</th>
<th>Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation occurs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Skin Contact</td>
<td>Wash with soap and water. Cover the irritated skin with an emollient. Get medical attention if irritation develops.</td>
</tr>
<tr>
<td>Serious Skin Contact</td>
<td>Not available.</td>
</tr>
<tr>
<td><strong>Inhalation</strong></td>
<td>If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.</td>
</tr>
<tr>
<td>Serious Inhalation</td>
<td>Not available.</td>
</tr>
<tr>
<td><strong>Ingestion</strong></td>
<td>Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If large quantities of this material are swallowed, call a physician immediately. Loosen tight clothing such as a collar, tie, belt or waistband.</td>
</tr>
<tr>
<td>Serious Ingestion</td>
<td>Not available.</td>
</tr>
</tbody>
</table>

**Section 5. Fire and Explosion Data**

| Flammability of the Product                          | May be combustible at high temperature.                                                                                                                                                                                                                     |
| Auto-Ignition Temperature                            | Not available.                                                                                                                                                                                                                                                |
| Flash Points                                         | Not available.                                                                                                                                                                                                                                                |
| Flammable Limits                                     | Not available.                                                                                                                                                                                                                                                |
| Products of Combustion                               | These products are carbon oxides (CO, CO2), nitrogen oxides (NO, NO2...).                                                                                                                                                                                      |
| Fire Hazards in Presence of Various Substances       | Slightly flammable to flammable in presence of heat.                                                                                                                                                                                                         |
| Fire Fighting Media and Instructions                 | SMALL FIRE: Use DRY chemical powder. LARGE FIRE: Use water spray, fog or foam. Do not use water jet.                                                                                                                                                          |
| Special Remarks on Fire Hazards                     | As with most organic solids, fire is possible at elevated temperatures Material in powder form, capable of creating a dust explosion.                                                                                                                             |
| Special Remarks on Explosion Hazards                | Fine dust dispersed in air in sufficient concentrations, and in the presence of an ignition source is a potential dust explosion hazard.                                                                                                                            |

**Section 6. Accidental Release Measures**

<table>
<thead>
<tr>
<th>Small Spill</th>
<th>Use appropriate tools to put the spilled solid in a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and dispose of according to local and regional authority requirements.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Large Spill</td>
<td>Use a shovel to put the material into a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system.</td>
</tr>
</tbody>
</table>

**Section 7. Handling and Storage**

<table>
<thead>
<tr>
<th>Precautions</th>
<th>Keep away from heat. Keep away from sources of ignition. Ground all equipment containing material. Do not breathe dust. Keep away from incompatibles such as oxidizing agents.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Storage</td>
<td>Keep container tightly closed. Keep container in a cool, well-ventilated area.</td>
</tr>
</tbody>
</table>

**Section 8. Exposure Controls/Personal Protection**

<table>
<thead>
<tr>
<th>Engineering Controls</th>
<th>Use process enclosures, local exhaust ventilation, or other engineering controls to keep airborne levels below recommended exposure limits. If user operations generate dust, fume or mist, use ventilation to keep exposure to airborne contaminants below the exposure limit.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Personal Protection</td>
<td>Safety glasses. Lab coat. Dust respirator. Be sure to use an approved/certified respirator or equivalent. Gloves.</td>
</tr>
<tr>
<td>Personal Protection in Case of a Large Spill</td>
<td>Splash goggles. Full suit. Dust respirator. Boots. Gloves. A self contained breathing apparatus should be used to avoid inhalation of the product. Suggested protective clothing might not be sufficient; consult a specialist BEFORE handling this product.</td>
</tr>
<tr>
<td>Exposure Limits</td>
<td>Not available.</td>
</tr>
</tbody>
</table>

**Section 9. Physical and Chemical Properties**

<table>

### Federal and State Regulations

No products were found.

### California Proposition 65

**Warnings**

California prop. 65: This product contains the following ingredients for which the State of California has found to cause cancer which would require a warning under the statute: No products were found.

California prop. 65: This product contains the following ingredients for which the State of California has found to cause birth defects which would require a warning under the statute: No products were found.

### Other Regulations

EINECS: This product is on the European Inventory of Existing Commercial Chemical Substances (EINECS No. 202-985-4).

Canada: Listed on Canadian Domestic Substance List (DSL).

China: Not listed on National Inventory.

Japan: Listed on National Inventory (ENCS).

Korea: Not listed on National Inventory (KECI).

Philippines: Not listed on National Inventory (PICCS).

Australia: Listed on AICS.

### Other Classifications
